DIRECTIONS ON BACK

DIRECTIONS:

From Eastern Mass:

Take Route 2 West. Take Route 140 North toward Winchendon. Just outside Winchendon, bear right to take Route 12 North. This eventually turns into Main Street in Keene. Approaching Keene on Route 12 from the South, at the first set of stoplights that you come to, go straight at the lights.

From Western Mass and Vermont:

Take Interstate 91 to Brattleboro, Exit 3. Take Route 9 East toward Keene. Approaching Keene from the West, at the Main Street intersection (two stoplights, one roundabout and a third stoplight), turn left (North) onto Main Street.

From Eastern NH:

Approaching Keene on Route 101 from the East (Manchester & Peterborough), at the Main Street intersection (second set of stoplights that you come to), take the slip road right (North) onto Main Street.

Once you get to Main Street

Keep going up Main Street through one small roundabout until you reach the head of the square. Take the second right onto Washington Street. Immediately turn left into the Bank of America parking lot. Keep going past the drive-through ATM machines. You will see the back entrance to the church on the left. Keep going right through a narrow opening between two buildings and you will see a parking lot. Please park in the center spaces, not along the edge facing the park.
